Photography is my first love. Wildlife, Flowers, and Landscapes, are my favorite subjects, but architecture also intrigues me. I am always looking for a unique perspective & try to share it with all who see my work. My goal is to capture moments in time with my work. I teach occasionally at the Allied Arts Gallery as well as other locations. **My passions are God, Photography, Gardening, Traveling & Family. I make my home in the Great North West**

Unplug from life & take a journey with me through my moments in time

Do you NEED a different size on a Fine Art Piece?? Please contact me and I can publish any of my pieces to a different (smaller/much larger) canvas size and have it shipped directly to your home for \$8.95 (canvas only - regardless of size) OR in metal (shipping TBD).
